

## Esthetician Job Description

We are looking for an Esthetician to join our team and offer high end, customized, facials. We are seeking someone who can make informed skin care recommendations for our clients and can determine and conduct appropriate treatment and services that suit their needs and desires.

An Esthetician's responsibility is to provide a relaxing spa-like service that will allow her client to feel pampered, have better looking skin, and help her client reach her skin care needs.

### Responsibilities

- Provide a variety of upscale facials, dermaplaning, body treatments and lash services (lash services, if trained)
- Adhere to appointments in a timely manner by monitoring schedule
- Interact with clients in a warm, professional, friendly manner
- Accompany clients to and from treatment rooms and thanking them, rebooking upon completion of service
- Perform a client consultation to obtain information about contraindications, needs, desires, skin goals
- Examine clients skin to evaluate the suitability of treatments
- Advise clients on skin care
- Recommend suitable treatments and home care regimens
- Engage with clients during sessions on topics relating to their interests if applicable
- Goal setting
- Preparing a sanitary environment before a procedure, and maintaining a clean environment after each treatment
- Other responsibilities & duties as assigned

### Requirements and skills

- A desire and passion for their career
- Proven work experience as an Esthetician or similar role
- Ability to communicate effectively with clients
- Ability to develop a plan of action for clients care
- Ability to make a client feel comfortable and safe
- Deep knowledge of skin care techniques
- Valid Esthetician's license (does not apply for lashes)
- Client confidentiality with ALL clients
- Continued education courses and trainings
- Team player, trust worthy, full of integrity, honesty

### Preferred Service Skills but not required:

Dermaplaning  
Lash Extensions  
Brow Lamination

Lash Lift & Tint  
Brow Tinting & Shaping
